Greenhill's Cycles & Vines experience

Greenhill Lodge, deliciously located in the heart of Hawke's Bay food and wine country, invites energetic wine lovers to experience Cycles & Vines – a free-wheeling journey of great taste.

Pedal power is a fun and eco-friendly way to explore vineyards, and the world-renowned Ngatarawa Triangle region and Gimblett Gravels appellation are within a few minutes of Greenhill. First you choose to be 'On Yer Bike' from mountain bikes, tandems or rickshaws and then we help you select a suitable route.

Wineries included are Ngatarawa Wines, The Triangle-Red Tasting Centre (representing Bush Hawk, Bridge Pa and Unison Wineries), Hatton Estate, Trinity Hill Wines, Te Awa Winery, Sileni Estates and Alpha Domus. All offer wine-tasting experiences and outside seating where you might pause to enjoy superb settings before cycling on. Greenhill supplies a mobile phone to ensure riders are always in range of back up and support, including both collection of wine purchased en route and the rescue of any bikers who run out of puff.
