# Gourmet: Wharekauhau Country Estate MARTINBOROUGH, NEW ZEALAND Tasting the **true** Wharekauhau experience

Experience the true taste of Wharekauhau's superb estate-grown produce while you also share insights into New Zealand's farming heritage. Sensationally sited overlooking Palliser Bay, Wharekauhau's multi-award winning lodge is also an important working estate in the heart of the fertile Wairarapa, one of New Zealand's top gourmet and wine destinations. You'll experience gracious country hospitality and fine, farm-fresh dining while exploring heritage sheep-station life.

See the day-to-day life of classic sheep raising, and dine on the estate's prize-winning Texel lamb that uniquely marbles delicate fat throughout its fine flesh. It's complemented with home-grown produce from the estate's pesticide-free gardens, including asparagus, tomatoes, herbs, the tasty Pajaro strawberry – even watercress. The terroir of the Wairarapa's exceptional pinot noir wines perfectly underpins the nature-true flavours from Wharekauhau's pastures and gardens.

Wharekauhau Country Estate is a place apart, in serene breathtaking scenery in the middle of one of New Zealand's most vibrant centres of inspiring food and wine culture. Legendary hospitality indoors and guided introductions to farm life promise unforgettable experiences of Wharekauhau, the **true** taste of a New Zealand country estate.
